Re: Alabama Public Records Request

To Whom It May Concern:

The Alabama Law Enforcement Agency is in receipt of your request for a copy of basic information on all cases (open and closed) of missing American Indian/Alaska Native persons (including juveniles) within Alabama from 2000 through 2019 under Alabama's Open Records Law.

A review of your request has been conducted and the records requested are not subject to our public records law. Alabama's Open Records Law requires production to citizens of Alabama only. Since you are not a citizen of the State of Alabama, the Open Records Law does not apply to your inquiry.

Further, even if the records you seek were subject to our open records law, we do not have the capability to search for records of the type you seek and therefore, would not be able to assist with your request.

Thank you for your interest in the Alabama Law Enforcement Agency.

Sincerely,

A handwritten signature in black ink, appearing to read "F. Tim McCollum".  
F. Tim McCollum  
Assistant Attorney General
